

NOTICE

The Wisconsin Department of Natural Resources will be holding a public hearing in relation to the proposed Anclam Park landscape design plan/bulkhead line ordinance on Wednesday, November 30, 2011 at 10:00AM in the meeting room at the Town Hall, 2392 County Road F. Members of the Baileys Harbor Town Board, Baileys Harbor Parks Committee, Baileys Harbor Plan Commission and/or Baileys Harbor Wastewater Committee may be in attendance at this hearing. The hearing may therefore constitute a meeting of said bodies. Members may answer questions or make statements about the project; however no official Town business will be conducted. This hearing is a function of the Wisconsin Department of Natural Resources and not of Town government.
