

Town Board Meeting October 24th, 2005

Steven Parent called a special town board meeting to order at 5:45 PM in the meeting room at the town hall. Present Steven Parent, James Parent, Robert Schultz, Jane Pluff and James Tishler. Absent Peter Jacobs, Barbara Anschutz.

Clerk verify posting. Motion made/second Jim/Bob to accept the agenda. Carried.

Discuss and decide bids for Rec. Park bathrooms- Steve explained that they all came in higher than what the board expected, with the low for the building and mound system was about \$122,000.00. Motion made/second Steve/Bob to reject all bids. Carried.

Discuss decide future building improvements at Rec. Park- Steve talked with our attorney and it is perfectly legal to have another group do the bathrooms. They could get as many donations as possible. As a board we could accept the building as a shell or we could purchase the equipment or fixtures as long as it is under \$15000.00. It does not have to go out on bids under that amount. We could also save the sale tax by the town purchasing the material. Bob stated he has a group of people who are willing to help with the building. Bob Niedzweicki stated he could help with putting up the rafters. The building is 25 x 18. There are 2 inside walls. It would be made out of split blocks. About 740 blocks.

Motion made/second Steve/Jim to let the Athletic club proceed with the Rec. park bathrooms. Carried.

Motion made/second Jim/Bob to adjourn at 6:00 PM. Carried.

Town Clerk, Jane Pluff
