

Town Board Meeting September 6, 2005

Steven Parent called a special Town Board meeting to order at 6:45 PM in the meeting room at the town hall. Present Steven Parent, James Parent, Peter Jacobs, Robert Schultz, Jane Pluff and 4 visitors.

Clerk verified posting. Motion made/second Peter/Jim to accept the agenda. Carried.

Steve stated our attorney Mike Bauer to draw up the resolution for vacating Schmitz Road.

Steve read the resolution. We have to set a date no sooner than 40 days for the hearing from today.

Grace Frudden asked for a copy of the resolution. She is concern about some of the wording of the resolution.

A party who lives on Harbor Lane asked why is the town bring this forward and not the developer or owner. Steve reported the developer came before the board and presented his plan. It was about the same as a plan presented a year ago and the board look in favor upon and our attorney said there was two options with one being the town presented the resolution, and that was the course the town board decided on. The developed will reimburse the town for all the expense to have this done.

Grace feels that two of the parts should be taken out because she feels they state the town board has already made up their mind. She feels the board should make it clear that the board is not in favor either way. She isn't for or against the road vacation. But she would like to see a notice sent to everyone on Ridges Road and Harbor Lane. There will be many people gone back already for the winter who will not know what is happening. She would also like to see it done on a Saturday morning so if anyone would like to come up they would have the chance to be here. The only people who have to be notified by register letter are those next to the road. She would consider this in good faith of the town board to send every one just a letter by regular mail. Bob question who would not be here. Grace stated people who have children in school, rent condos. Why have a public hearing if you have already made up your mind.

After reading the resolution over Steve was in agreement that 3 and 4 be taken out of the resolution. As far as sending notices that they will leave up to Jane and work with Grace in getting them mailed out. The meeting was set for October 17th, 2005 at 7:00 PM.

Motion made/second Bob/Jim to adopt the resolution with 3 and 4 whereas taken out. Carried. Steve will take care of the paper notice.

Motion made/second Bob/Peter to adjourn at 7:05 PM. Carried.

Town Clerk, Jane Pluff
