

Town Board meeting February 19<sup>th</sup>, 2007

James Parent called the special Town Board meeting to order at 5:30 PM in the meeting room at the town hall. Present James Parent, Dale Williams, Peter Jacobs, Barbara Anschutz, Robert Schultz, Jane Pluff, Paul and Marylyn Malberg.

Clerk verified posting. Motion made/second Dale/Barbara to accept the agenda. Carried.

Paul & Marylyn Malberg and Town Board decide on area for application of spray for Milfoil on Kangaroo Lake- Mr. Malberg gave us papers with a map to show where the areas are for milfoil and where he suggested that we take care of first. Each side of the crossway should be treated first. They may have to take two different times on each side. Right by the middle culvert they do spread out a little more. Also there are several very small spots on the lake that could be taken care of at the same time. In the center part of the lake on the southern end there is a larger patch of milfoil. This area will be taken care of at a later date. The general feeling of the board and Malberg's were to take care of the small areas and along the crossway first. We may have to spray the same area again next year. It is not guarantee that one application will take care of the issue. It would cost about \$500.00 per acre and along the crossway it would be about 3.2 acres. We cannot exceed 10 acres on one application, or we would need a plan in place and notice in the paper. We are just interested in getting the smaller areas done now. In the future we will do the plan, so we can apply for a grant. Motion made/second Dale/Barb to treat the 3.2 acres and smaller areas on the lake about 4 or 5, not to exceed 5 acres and Mr. Malberg will help with the location of the spray if necessary. Carried.

Motion made/second Barb/Bob to adjourn the meeting at 5:59 PM. Carried.

Town clerk, Jane Pluff
