

Town Board Meeting September 23, 2009

James Parent called a special Town Board meeting to order at 6:00PM at the intersection of Guy Street and School Street. Present were James Parent, Barbara Anschutz, Robert Schultz, Peter Jacobs, Dale Williams, Douglas Smith, Loren & Annie Peil, Steve Hey, Steve Leonard and Everett Mattke.

Clerk verified posting. Motion made/second Peter/Barb to accept the agenda. Carried.

Meet with affected property owners to discuss possible relocation of a portion of School Street – Loren & Annie's goal is to remove the street from their property. The existing blacktop is 19 feet. If we followed the exact lines, we probably could not pave it more than 12 feet. Dale mentioned another option is to abandon the road.

We might be able to work with Steve Leonard and move the roadway closer to his property and put up a line of cedars to block it. Jim will call Baudhuin and have them stake it out so we know where the right of way is.

Jim Parent left at 6:20PM. Bob Schultz ran the remainder of the meeting.

Dale stated another option was to add an easement to Loren & Annie's deed and have the road begin basically right down the center line of the current blacktop. We could talk to our lawyer about getting the easement attached. They would grant the Town an easement to some of their property. We will meet again on Tuesday, October 6th at 6:00PM, after Dale has met with Steve from Baudhuin, Inc. and everything has been staked out. We'll also have to look at the various codes for roads and alleys.

Motion made/second Dale/Barb to adjourn at 6:53PM. Carried.

These minutes are subject to correction at the next regular monthly Town Board meeting.
