

## Parks Committee Meeting July 19, 2010

James Rossol called the regular monthly Parks Committee meeting to order at 6:00PM in the meeting room at the Town Hall. Present were James Rossol, Michael Meulemans, Patrick Keehan, Michael LeClair, Sean Moroney, Barbara Anschutz, Douglas Smith and 4 visitors.

Clerk verified posting. Motion made/second Jim/Mike M. to accept the agenda. Carried.

Accept minutes – Motion made/second Mike L./Jim to accept the minutes. Carried.

Accept Treasurer Report – Treasurer will have the full version to the Committee by the end of the week. Anclam Park had \$224 worth of electrical/lighting work. Rec. Park Improvement account had about \$384 out of it, which we will see when we get the detail report. Motion made/second Jim/Mike M. to approve the Treasurers Report and find out what the \$384 was for. Carried.

Citizen input – None.

Update on Anclam Park sign – Jim called Brian at Beacon Athletics and he sent out a new “Visitor Information Ahead” sign as a slider, rather than a hanging sign. Jim tried to slide it in, but it was too wide and possibly too thick. They spoke about ways to reengineer the concept of the slide-in signs. Brian’s engineering department were surprised the sliders didn’t work. Brian requested that the sliders and holders be sent back to Beacon for examination. Clerk will arrange to have them sent back. Brian hopes to have it done shortly. He will be up here in September, and he wants it fixed by then.

Update on establishment of Bulkhead Line Ordinance at Anclam Park – This is on the Town Board agenda for this evening.

Update on Rec. Park – They want to get the storage shed going. They had \$1800 figured and the materials came in at \$1896.50. There are also some leftover materials from the press box that can be used.

Recommendations for next month’s agenda – We’ll talk about every park. It would be nice to walk the additional land that was acquired at Rec. Park before the snow flies, maybe around the time we do the budgeting.

Motion made/second Jim/Mike M. to adjourn at 6:13PM. Carried.

These minutes are subject to correction at the next regular monthly Parks Committee meeting.
