

Parks Committee Meeting April 18, 2011

James Rossol called the regular monthly Parks Committee meeting to order at 6:00PM at the Rec. Park on Summit Road. Present were James Rossol, Michael Meulemans, Sean Moroney, Patrick Keehan, Barbara Anschutz, Douglas Smith and 2 visitors. Michael LeClair was absent.

Clerk verified posting. Motion made/second Jim/Mike M. to accept the agenda. Carried.

Accept minutes – Motion made/second Jim/Pat to accept the minutes. Carried.

Citizen input – None.

Determine location for placement of bocce ball court and horseshoe pit – The Parks Committee determined the best spot would be on the west side of Stieglitz Road in the open area northwest of the old bathrooms along the existing tree line. This takes into account any potential safety concerns with foul balls and/or traffic issues. Measurements were taken and space was left for the possible addition of a second bocce ball court. The Town Board will review the location before finalization.

Review financial/Treasurer report – Picnic tables, the Lakeview sign and the School Park sign have been ordered. Garbage lids will be ordered. Park grills for School Park actually came in at \$189, so we'll hold on those for right now until we see what the budget looks like. Motion made/second Jim/Sean to accept the report. Carried.

Recommendations for next month's agenda – Next meeting is May 16th. We'll talk about finalizing the horseshoe pit and bocce ball court, as well as possibly talk about the Anclam Park project.

Motion made/second Jim/Mike M. to adjourn at 6:40PM. Carried.

These minutes are subject to correction at the next regular monthly Parks Committee meeting.
