

Town Board Meeting March 7, 2011

James Parent called a special Town Board meeting to order at 6:05PM in the meeting room at the Town Hall. Present were James Parent, Robert Schultz, Roberta Thelen, Peter Jacobs, Douglas Smith and 7 visitors. Barbara Anschutz was absent.

Clerk verified posting. Motion made/second Peter/Bob to accept the agenda. Carried.

Discuss/decide annual mailing and informational mailing regarding the Core Area referendum question – Jim Parent started the meeting and then excused himself and sat in the audience. Francha Barnard created a letter and presented it to the Town Board and audience members. The Board and visitors proceeded to discuss and edit the letter. Some of the items discussed included making it clear that the core area maximum depth would be no more than 900 feet, as well as how to make clear that expanding the Core Area would not cause an automatic zoning change and would only make the zoning change application process easier. Verbiage was changed and edits were made. A copy of the original letter, as well as an edited draft are available in the 2011 Minute Book. Peter will incorporate the suggested changes into the document and Doug will have a one page document created that includes both the map and Core Area definition from the County. The discussion then turned to the postcard that is being mailed to all out of town addresses that refers people to the Town website for the full annual report. Absentee ballot information will be added to the postcard. Final drafts of both the referendum question information as well as the postcard will be presented at a meeting on Thursday, March 10, at 6:00PM.

Motion made/second Peter/Robert to adjourn at 7:30PM. Carried.

These minutes are subject to correction at the next regular monthly Town Board meeting.
