

Town Board Meeting October 10, 2011

Donald Sitte called a special Town Board meeting to order at 5:30PM in the parking lot behind the fire station. Present were Donald Sitte, Robert Schultz, Barbara Anschutz, Roberta Thelen, Peter Jacobs, Douglas Smith, John Hammarstrom and 2 visitors.

Clerk/Administrator verified posting. Motion made/second Barb/Bob to accept the agenda. Carried.

John Hammarstrom – Presentation of new hydraulic dredging machine for Marina – John presented the new machine and explained how it will work. His plan is to do a little bit of dredging each year and eventually we should have about 8 feet of depth within the Marina itself. As for storage, it can either be put in the new maintenance building, or shrink-wrapped for the winter.

Motion made/second Bob/Barb to adjourn at 5:43PM. Carried.

These minutes are subject to correction at the next regular monthly Town Board meeting.
