Accept Treasurer Report – Motion made/second Jim/Paul to accept the report. Carried.

Citizen input – None.

Discuss/decide billing for Ridges Sanctuary property, formerly the Sandpiper – The Ridges is requesting that billing be suspended until the new building is completed. Currently, all the water fixtures have been torn out and water turned off. Once everything is capped, the Ridges will contact Don Prust to have him make sure everything is in order. Motion made/second Paul/Jim to suspend billing until the new building is completed. Carried.

Discuss/decide request from County Sanitarian to pump holding tank on private property – Don Prust received a call from the Sanitarian's office requesting that Town pump a holding tank on a property because they have not gotten any response from the property owner. They would like to be able to inspect the tank to see if it needs to be replaced. While we legally have the right to do this, it's never been done at the request of someone else. We also would have to pay the hauler for hauling the waste and we may not be able to recover that cost. Motion made/second Paul/Jim to deny the request. Carried.

Don Prust – Wastewater report – Don delivered the report, a copy of which is available upon request.

Motion made/second Jim/Paul to adjourn at 6:39PM. Carried.

These minutes are subject to correction at the next regular monthly Wastewater Committee meeting.
