Leave Town Hall to tour Town roads and decide on repair/maintenance throughout the Town – The Town Board toured various town roads. They met with representatives of the Cana Island Lighthouse to determine proper signage to coincide with their installation of a new parking lot. After discussion, various ideas for signs were determined. Bob will meet with the Public Works Supervisor and they will determine the best location and appropriate verbiage. A dog park will be on next month's agenda. The Board observed a potential junk ordinance violation at the intersection of County A and Kangaroo Beach Road. They will talk about this at a future meeting. The Board drove along West Meadow to take a look at the trimming that's been done. It has helped open up views for safety. A street light by the south end of Maxwellton Braes will be removed. Anclam Park beach will be graded. The Board went over the plan for a parking area by School Park on Guy Street. Sidewalks will be installed to the south of the Baileys Harbor Cornerstone Pub. The owner will be eliminating the parking stalls there and creating seating instead. Sidewalks will help increase safety.

Motion made/second Barb/Bob to adjourn at 12:00PM. Carried.

These minutes are subject to correction at the next regular monthly Town Board meeting.
