

WARNING/COMMUNICATIONS

The Warning and Communications function is responsible for warning and communications in Town of Baileys Harbor. The following tasks represent a checklist of actions this function should consider in an emergency or disaster situation.

The County Communications Center, located at 123 S. 5th Ave., Sturgeon Bay, is responsible for warning and communications activities in the Town of Baileys Harbor. The following tasks represent a checklist of actions this department should consider in an emergency or disaster situation.

1. Warn the following:
 - a. Municipal Elected Officials
 - b. Municipal Emergency Management Coordinator
 - c. County Emergency Management Director
 - d. Municipal Emergency Operations Center representatives
2. Ensure all agencies represented in the municipal EOC have communications both to their staff at their department offices and their staff at the incident site. This equipment consists of telephones, pagers, mobile telephones, fax, & computers.
3. Activate public warning system. This may consist of siren, telephone, or door to door contact. Develop assignment on how alert, watch and warning would be handled prior to a disaster or emergency situation.
4. Establish communications with the county EOC if activated or the county emergency government office. The communications equipment available is telephones, pagers, mobile telephones, fax, & computers.
5. Establish communications with Command Post if established.
