

Minutes from the Town Board Emergency meeting held on April 10, 2015 at 1pm

Present - Don Sitte, Barbara Anschutz, Bobby Schultz, Steve Parent and Dale Williams

Absent - Roberta Thelan and Peter Jacobs

Meeting called to order - 1pm

Verify posting and accept agenda as posted - M/Bobby Schultz, S/Barbara Anschutz - Carried

Inspection of damaged area of Anclam beach in front of Carol Williams property as well as the beach itself. Discussion ensued regarding how to rectify the damage, several methods were considered. Upon further discussion it was decided to dig down to bedrock and create a "river bed" of stone, gravel and then sand down to lake level. Need to get rid of the berm in front of Ms. Williams property, level it out to lake level. We are to keep the berms in front of the Christians property and the ones on town property because they are doing what they are suppose to do. Around the jetty new rip rap will be installed once Steve Parent okays it with the DNR. M/Bob, S/Barbara to go ahead with repairs as discussed - motion carried.

Motion to adjourned - Bob, S/Barbara - carried

Adjourned at 1:26pm
