

Plan Commission Meeting June 1, 2015

Gordon Rowley called the regular monthly Plan Commission meeting to order at 6:00PM in the meeting room at the Town Hall. Present were Gordon Rowley, Carol Williams, Cal Oldenburg, Ken Uhlhorn, James Schorer, Gene Stanis, Peter Jacobs, Douglas Smith and 3 visitors.

Clerk/Administrator verified posting. Motion made/second Carol/Jim to accept the agenda. Carried.

Accept minutes – Motion made/second Jim/Ken to accept the minutes. Carried.

Citizen input – None.

Consideration of Petition for Grant of Variance for George Whipple, 2691 CTH EE, Parcel #002-03-18302834F – Neither Mr. Whipple, nor a person representing him, was present for the meeting. It is a small parcel and he is rebuilding a residential structure. It has been a non-conforming parcel/structure since day one. Since Mr. Whipple was not present, the Plan Commission was unable to get answers to questions they had. Motion made/second Ken/Gene to take no position based on the information we have. Carried.

Review of application for community design workshop – The Town Board approved moving forward on the application. Mariah Goode, Brynn Swanson, Steve Leonard, Rob Burke, Gordon and Doug are the working group that began the application process. It is a large undertaking and an application by the community, not just a government body. Letters of support are required from as many individuals, businesses, non-profit entities, etc. as possible. The working group will be meeting on the 9th of June at 1:00PM to keep moving forward. We will also have an open house on June 17th at 6:00PM for residents and business owners to find out more information and hopefully offer their support, as we need to find homes for people to stay in during the three day workshop. The visit, if selected, would be November 5th through 7th. Since the deadline for the application is the end of June, the Commission was asked to review it and forward any comments/questions/input to Doug and he will pass along to the working group.

Reports from meetings attended, if any – None.

Motion made/second Carol/Gene to adjourn at 7:03PM. Carried.

These minutes are subject to correction at the next regular monthly Plan Commission meeting.
