

Wastewater Meeting June 27th 2016

Paul Kordon called the regular monthly Wastewater Committee meeting to order at 6:00PM in the meeting room at the Town Hall. Present were Paul Kordon, Don Prust, Gary Nelson, Douglas Smith, Haley Adams and eleven visitors. Jim Anschutz was absent.

Clerk/Administrator verified posting. Motion made/second Paul/Gary to accept the agenda as posted. Carried.

Accept minutes-Motion made/second Gary/Paul to accept the minutes. Carried.

Citizen Input- None.

Consideration of recommendation for Deer Crest Court wastewater line- The projected plan will begin in fall of 2016 with an estimated cost of \$65,400.00. The sewer line will extend along Severn Street and connect to the last manhole in Deer Crest Court. This plan will allow for a deeper placement of the line and eliminate the need for a 90 degree bend. These changes should eliminate the freeze-up problems that occurred in two of the last three years. Doug will contact Randy Nesbitt to initiate a phone conversation with Challoner McBride to allow for an easement. The residents of Deer Crest Court would also like their road paved by the Town with the Town special assessing them for the charges. Doug recommended to the residents in attendance to draft a letter to the Town Board stating their intent. Motion made/second Paul/Gary to recommend to the Town Board that they move forward with running the sewer line up Deer Crest. Carried.

Update on wastewater hookup for 8053/8055 Ridges Road- Steve Parent received prices from Harbor Construction, John Fitzgerald, and Gary Reinhardt. Any provisional work must be complete by August 12th, therefore when the house is complete it is habitable. Steve will get the bid estimates and recommendations to the Town Board at their next regular monthly meeting on July 11th.

Update on Park Road wastewater main break and manhole raising- It has been three months since the cracks were found. The damages along the road have the potential to negatively impact the treatment plant. This fix will essentially take a week to complete. The contractor will be given a deadline of July 15.

Motion made/second Gary/Paul to adjourn at 6:29PM. Carried.

These minutes are subject to correction at the next regular monthly Wastewater Committee meeting.

Haley Adams, Town Administrative Assistant

Douglas Smith, Town Clerk/Administrator
